

your local hospice

care • compassion • kindness

The Glass Giving Tree

Situated in a central position at the heart of Mary Stevens Hospice the Glass Giving Tree will be seen by all who come to the Hospice. The Tree is a piece of locally sourced art by artist Charlotte Hughes-Martin and is based on an Olive tree (symbolising peace and harmony) made up of 525 unique leaves. Each leaf

will carry an inscription of the name of your loved one and is a simple, beautiful tribute to the memory of someone special. Your leaf will stay on our tree for the time period you choose 1, 2 or 3 years and at the end of this time you will be offered the chance to renew your leaf or we will return your leaf for you to keep.

Please register your interest overleaf...
